

# ELKS LODGE #572 AUGUST 2004 NEWSLETTER

## E. R. MESSAGE

Greetings to Elk members all. The subject of your August Message is "Need." Let me elaborate on a list of current items. First, we need our Elks, friends and guests, who are contemplating the January 15 Caribbean Cruise, to proceed in submitting applications, in that rooms on the Triumph are not infinite! As of this writing, some 30 or more Elks & friends have made their initial payments to Custom Travel. It's time to move on this unique, #572 option to you, our members! Second, we need (like Marines) a few good Elks to select this Lodge, and order, as a central focus of their community, benevolent, and/or social involvement. Why not choose this organization, and plan to start by attending Lodge meetings. Consider a beginning officer position? (I still have 2 appointed positions open.) We need YOU! As I'm thinking about people stepping up to the plate, I just enjoyed an outstanding example on WSL, Channel 3 News, as our own Anita Harris was featured as the week's "Unsung Hero" for her work

here at the Lodge, in organizing the monthly dances for S.T.A.R.T. and other agency clients. Both our congratulations, and our Thanks, to Anita. Incidentally, a recent Southern Illinoisan Editorial underscored how difficult it has become for service organizations like the American Legion, V.F. W., Elks, etc., to garner such individuals, who are willing to commit to helping these community anchor groups remain viable and maintain their excellent programs.

Third, we need you (Elk members who reside in the area) to participate! Select from the calendar. Will you join other members at the Annual Picnic, Aug. 17? Schedule at least one appearance at the Club this coming month? Try our fabulous new sliced B.B.Q. Sandwiches on toasted pressed bun. Volunteer to work at, or even play at a Bingo session? Fourth, we need everyone to meet their 04/05 membership dues commitment - some 80 have not yet done so. Any member who understands Elkdorn should have no

hesitancy in submitting their payment. So, for anyone not current, you will be receiving a reminder notice. To the vast majority of you who are current, your prior response to this need is appreciated, and if you know someone who is not, please encourage them to do so, as you have already done.

We always need to work on supporting our state major project, the Elks Crippled Children's Corp., and Lynn Porter, Mike (Bo) Etherton, and Bill Weinhoffer have volunteered to organize a Poker Run for the C.C.C. Tentative date is Saturday, September 25. We will need help and riders, so stay tuned for more information. Another future item is the next initiation, which should occur Wed., Sept. 22. There is still time to propose new members for this date, so you need to do so, soon! Finally, congratulations to Coy Cookman, who was just installed at the Grand Lodge Session in Minneapolis, as District Deputy for the Super South! Coy's time commitment to the Elks is a prime example of someone stepping to the plate to serve

a need of 12 lodges and their communities. And, having been honored to be elected to join the South District as Junior Trustee for 04/05, I myself, hope to be able to support Coy and his entire team, and carry forth my share of fulfilling an Elk's need.
