

ELKS LODGE #572 OCTOBER 2004 NEWSLETTER

E.R. MESSAGE

When you think about your membership in the Elks, what is the primary concept that comes to your mind? Do you envision yourself as a "Club" member, or a "Lodge" member?

This question was posed in a session I attended at the State Meeting of the Illinois Elks Association, held this past week in Springfield. Much discussion and thought followed. At this point, I reflected on the forty-plus members of our Lodge who are not current in their present dues, and on those we have "lost" in recent years.

I am convinced that those of us who consider the entire "Lodge" concept first, are also the most likely to be current in our memberships. Why? We know that our own membership is an important contribution to all that Elks do, from here in the Murphysboro Community to Nationwide efforts. A Lodge member is proud that we support High School activities (i.e., Band, Athletics, Drug Prevention, etc.), Boy & Girl Scouts, S.T.A.R.T. Dances & Dinner, Marion V.A. Hospital, Ester Bunny at Jackson Rehab. Ctr., Hoop Shoot, Soccer Shoot, Hall Donations, Flag Day observances, December Memorial Services, Crippled Children's Clinics, orthopedic procedures & equipment, Physical Therapy Scholarships (several to

local students), National Foundation Scholarships (several to local students), and numerous special projects each particular year. Perhaps those of us who place the "Lodge" concept first, also recall items from our indoctrination sessions or our Initiation. Remember Charity, Justice, Brotherly Love and Fidelity?

On the other hand, for those Elks holding the "Club" concept first, it is more a yearly consideration of "what did the Elks do for me this past year of "did I get my dues worth" out of this membership? See why this mind set can cloud or screen what the Elk organization is most about?

Let me be careful to say that Elks whose 1st concept is that of "Lodge" members are also perfectly welcome to participate in and enjoy all of our "Club" or social activities! However, which one comes FIRST would seem to be the key to feeling good about, being proud of, and enjoying/continuing our membership.

I fully intend to hi-lite this concept in correspondence to our present non-paid members, and perhaps you can do likewise, if you happen to know someone who is not current in their membership.

On other topics, I wish to congratulate our eight new members (see picture) who appear most enthusiastic about their new memberships. Also, while I could

not possibly thank all who are working so hard for Lodge #572 in their routine, monthly support items, I did want to acknowledge some "above-and-beyond" items in the "Thank You" column, elsewhere in this bulletin.

Our District Deputy Visit will occur on Wed., Oct 20, and will include an initiation performed by Lodge Officers. I wish to thank them in advance. The Club will be closed during this Lodge Meeting and initiation, as per statutes. Members, I hope to see several of you at this meeting. And, in fact, I think it is important that more of our members at least, occasionally attend our 1st & 3rd Wednesday meetings (7:30 p.m.), so as to keep up on what is happening, and possibly even plug in to help! Can you make your "Lodge" more of a priority, in your busy schedule?

Merle Evans, Exalted Ruler

THANK YOU!

September turned out to be a month which needed the help of several good Elks on some special projects. A tip of the Antlers to: Bruce Dallas & Kevin Stratton for repair of our lighted message sign in front of the Lodge; J. R. Smith for installing a new water heater; John Love & Patty Gillmore for helping with both the Soccer Shoot and the Drug Awareness Trailer; Lori Graff, Chris Paul, & Warren Moore (Also Berry Concrete) for assisting with the Drug Awareness Trailer presentation at the Apple Festival, Kie Dallas for providing wood for base of our Big Screen T.V., and Bill Bost for assisting with building maintenance items.

PRE-CRUISE WINE & CHEESE PARTY

All Elks & friends who are scheduled for the January 15 Caribbean Cruise aboard the RRCL Triumph are reminded of the up-coming Wine & Cheese Get Together on Thursday, Oct. 28, at 7:30 p.m. in the Lodge Hall. Your Cruise Committee wants to emphasize and encourage everyone to write down your list of questions to ask at this event. We look forward to both a fun and informative evening!
