**E. R. MESSAGE**

When you receive this message it will be after our Spring State Convention, where we received a **SECOND PLACE** award for contribution to our state major project "IL Elks Crippled Children's Corporation". Once again, our self-sufficient committee and other contributors have made our Lodge proud! This committee's hard work and resourcefulness has made us well known throughout Illinois Elkdom.

It seems that some P.E.R.'s misinterpreted my message about the financial and operational health of our Lodge, during the annual "Membership Appreciation Evening". Apparently, I did not express clearly the message I was trying to relay. Because of the fact that so many of our Elk members have worked so hard over the years, and kept believing

that our Elk's Lodge could be financially viable, we, at this point in time, are financially stable. What I felt I was expressing was that because of all these "warriors", male & female, this goal has, at least for now, been reached. However, it is a fact that only in the last couple of years have we not had a deficit budget and I thought I explained what I felt were the events that got us there! Once again, I apologize for my inept communication.

As your E. R. by default again this year, I am extremely worried about our finances for the coming year. Our Lodge could be receiving huge electrical bills over the summer and fall, and as of this writing, on Jan. 1st, 2008, there will be no smoking anywhere in our building. How we personally feel about that is insignificant. Springfield dealt with this last year and

about every facility serving alcoholic beverages has built an open-air patio. We have a small one partially finished and this will be addressed in our Trustee/House meetings.

Kudos to our member's who helped during the annual "Special Populations Fishing Days" held at Bleyers Lake. The members I know who helped are Deb & John Hudson, Steve Kimbro, Mike Miles, John Love, Leigh Ann Stokes, Patty Stokes, Hank Leishner, Melissa Ferguson, Chris Paul, and Anita Harris. Also, kudos to the members who helped with the "Mother's Day Brunch". Finally, Thanks to Bill Bost, for a day of expert Bob Cat work in grading our South Lawn, for better drainage during heavy rains!

Once again Elks Care~Elks Share!

Norman Wayman, E. R.
