E. R. Message

As good and upstanding Elks, we perform the work of the order without expecting praise or notoriety. However, it is important to recognize the contributions of those who make the accomplishments of our Lodge possible. The annual appreciation dinner was held on March 31st to recognize and thank all the members who contributed to the hard work and accomplishments of the past year. There were many well-deserved pats on the back and rounds of applause, but a special note of recognition goes out to Melissa Ferguson for being selected as Elk of the Year for our Lodge. In her almost thirty years of involvement of #572, Melissa has volunteered more times and in more ways than I have space to list. During the District meeting in April it was announced that Melissa had also been chosen as Elk of the Year for the Illinois Elks South District. Congratulations and thank you, Melissa!

Every year each Lodge aims for a gain in membership of +1. We made that goal this year, plus another 20! Thank you to all those who sponsored new members. Now we need to keep those members! If you still have not paid your dues, please do so or your privileges in the club room will stop on June 1st.

May brings the unofficial start of the summer season and two holidays that originated as a result of the Civil War: Mothers Day and Memorial Day. In America, a Mother's Day celebration was first proposed as a time for mothers on both sides of the Civil War to come together in friendship, celebrate peace, and heal the pain of those who lost family members. Over the years, Mother's Day has evolved into a celebration of those who make life possible and serve as the center of our families. Be sure to let your mother (or wife, sister, etc.) know how important she

is to your family. [hint: treat her to brunch at the Lodge!]

Memorial Day was officially proclaimed in 1868 to honor those who lost their lives fighting in the Civil War. The focus has grown to remember all those who have lost their lives in military service. In 2000, the White House asked that Americans observe a National Moment of Remembrance by pausing for one minute at or around 3 p.m. on Memorial Day "to remember and reflect on the sacrifices made by so many to provide freedom for all." As you enjoy Memorial Day with family and friends, please keep in mind the sacrifices of those for whom the day was set aside.
