E. R. MESSAGE

Greeting to all members! I hope everyone had an enjoyable 4th of July weekend. I know I did, revisiting family that I had not seen for some time. I need to remind myself that Family should always come first.

The July, PER Pork Butt sale went well. The monies they raised will be helping our Lodge go green with our new lighting. Thank you to the "Butt rubbers", Patriot Bravo Co., and everyone who worked on this event. Thank you to all members and friends who ordered and made this effort a success. They were delicious.

THERE REALLY ARE WININERS ON THE CCC CALENDAR! I WON \$ 50.00 THE OTHER DAY! Calendars are now on sale for ½ price (\$10.00) and available at the Lodge.

Congratulations to Lodge Officers for diligently pursuing the ENF Promise Grant that was offered for consideration to the first 500 lodges to apply. For the coming year, we were awarded \$2000.00 for 2 of our Community projects! They are the Murphysboro Jr. Football league year-end banquet to be held this fall, and a Youth Workshop and Fun Day, to be hosted in the spring. Special thanks to Steve Zak and Merle Evans for finalizing our application and pressing to submit it in the opening seconds!

If you have been observing the Elks property located behind the Lodge building, you will see that the Soccer Practice

Field is well on its way! Our Elks Lodge is strongly supporting this new endeavor and proud to see so many of our members actively working to make this happen.

This fiscal year, Grand Lodge is sponsoring a contest of sorts. Sign up a 3 new members or past members and you will receive a spiffy pin from GL. In addition, your name will be entered to win a trip to Grand Lodge in Austin, Texas in 2012.

Our Cook, Steve Dennis, has just renewed his Food Sanitation License. He went to a 16-hr. training course, along with many employees from other clubs in Murphysboro. The turnout for the training was great. Thanks to all who helped coordinate this training for our employees.

August 31, 2011 will be the last day the Lodge will be accepting donations for the families of the Joplin Lodge Disaster. Please stop by the Lodge and donate to our Elks in need. Murphysboro has experienced this same heartache many times in the past. These families need our help. Thank you.

Start collecting your yard sale items!! The sale is just around the corner (See article elsewhere in this newsletter).

Leading Knight, Debbie Sauer, and I just returned from the Grand Lodge Convention in Phoenix. It was a busy week for us with 36 resolutions on the table. These were devised from the Future of Elk-

dom committee, which many members nationwide responded to. Many of these resolutions passed! We will have a print out available at the Lodge, or you can go to Elks.org for results. We survived a dust/sand storm Tuesday evening, while we were in the pool. Traveling right over the top of us, it was weird and pink! The last time I saw a sky like that was the Derecho of May, 2009.

The part of the Convention I will never forget is visiting the State Special Project booths. Indiana Elks and Purdue University are working hand-in-hand on Cancer research; Michigan is working on Alzheimer's research; other states are researching juvenile diabetes; and many more state Elk associations are doing similar, valuable work. It was truly amazing to see the MILLIONS of Elk Dollars, that are being raised by our Memberships, going to such important programs such as these, along with scholarships for our youth. I know that OUR OWN LODGE should be extremely proud of itself for being consistently in the TOP 3 in the State for fundraising. It just proves that BPOE stands for BEST PEOPLE ON EARTH!

Invite all members to attend our monthly meetings as we continue to plan for the Future of Elkdom in our Lodge.

Fraternally your,
 Patty Stokes, Exalted Ruler

**CARBON LAKE CLUB
DONATION APPRECIATED!**

One of the sites which hosted an ENF Benefit Shooting Match, this past year, was the Carbon Lake Club in Murphysboro. In addition, and more recently, a raffle was organized for a 12-ga. Match Shotgun. This beautiful gun was donated through and by the efforts of Delmar Hunziker and David McComb. Thank you, both, for providing this item which we were able to raffle - the proceeds of which are going to assist Lodge #572! (And, congratulations to member, Jim Ferguson, who held the winning ticket!)
