The 149th Grand Lodge Convention, held this year in Reno, Nevada, was a unique experience for me! It was great to hear about the success and achievements of the individual State Projects (Just as Illinois has the Children's Care Corp., every state has its own, unique program.). The stories told by the Hoop Shoot's top, National Winners were enough to make most Elks in the Convention Hall emotional. The dedication and happiness of these kids was refreshing. The stories from two of our top, National Scholarship winners were PHENOMINAL! One recipient is going to attend MIT. The other is headed to Harvard. As a High School Senior, she has already done research at Kettering Sloan and has started an organization in 9th grade, to assist rural Chinese children to go to school. The future is looking bright with talented youth like these - and we Elks should be proud that our Scholarship Program is helping them maximize those talents! In another area, there is work to be done. We learned that many of our Nation's Veterans have needs that are not being met. The BPO Elks is stepping up to help rectify this unfortunate situation. Hopefully, we, at Murphysboro #572, can also increase our

support of our Veterans, both locally, and at state and national levels. In fact, through the use of our ENF Grants, our community-wide veteran's Program / Dinner (held last November) and our recent \$1,000 donation to the "This Able Warrior" program is a start for this 2013 - 2014 Lodge year. And, more is to come, I feel confident, because Elks Care - Elks Share!

Darci Hastings, E. R.

LODGE SECRETARY'S COMMENTS

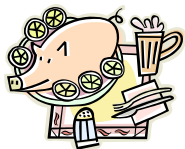

We are now 4 months into the 2013-2014 Lodge Year, which started April 1. To date, 57 of our members are still unpaid, in their membership dues. The "Delinquent List" is posted by the Key Card slot, at the Club Room Door. If you know someone on this list, please encourage them to take care of this situation. Reminder - we have **ALREADY PAID** their National, State, and District Per-Capita, for them. And, also remember that unpaid members are not, by statute, entitled to Club Room Privileges....so we ask that

you not bring them in as a "guest." Our reasonably-priced drinks, food menu, and activities with donated / free items are privileges reserved for those who have taken care of their membership's dues requirement - not those who have neglected or avoided it.

On Thursday, August 15, Indoctrination Chairman, Steve Zak, will head up a session for some 11 candidates. Then, on Wednesday, August 21, at our regular Lodge meeting, all those who complete the Indoctrination session will be eligible for Initiation. It will be a busy night, with this many candidates, and their sponsors, along with completing Lodge business, given we have only one meeting in August. Members All- you are, as always, invited to attend Initiation.

AN INVITATION TO HELP!

Our Lodge will be participating in the Murphysboro Apple Festival Parade on Saturday, September 14th. We are currently assembling our team of volunteers to carry the large flag, hand out small flags & candy, carry the Lodge banner and other duties. Over 20 people are needed. If you would like to join us, please contact Steve Zak 684-8769 or Bob Allard 687-3529.

KITCHEN HELP WANTED

We are looking for a part-time Fry Cook / Dishwasher in our Elk's Club Room Kitchen. This will primarily involve Thursday and Friday evenings, from around 4:30 or 5:00, to around 9:00 or 9:30. Occasional, special events might

also be involved. If you know of anyone who might be interested, just let them know that they can fill out an application at the Lodge.

GAME ROOM NOW OPEN!!

If you enjoy Video Poker, please feel free to spend some time in our new Game Room. Thanks to both Lodge and volunteer efforts, we have a great new area, just waiting for our members. Entry to the Game Room is to the immediate right, as you enter the Club Room. A new, Key Card Door has just been installed in the south wall, adjacent to the ATM machine. Simply use your red, 2013-2014 Key Card, the same way as you do for the Club Room door. Machine winnings are paid out in cash, by way of a Kiosk, located in the Game Room. Enjoy!!!!

JOIN IN ON OUR BUSY CLUB ROOM!

Don't forget - we have good food on Monday Nights. Come in and enjoy a great sandwich selection, as prepared by Tina. Wednesdays are Wing Night, and members have been appearing in increasing numbers! Then, on Tuesdays, Thursdays, and Fridays, the crowds have been great, in recent weeks, as Elks have discovered the excellent culinary talents of Tina Carter, our head cook. See some old friends and have a great meal at

your Elks #572. Can't wait to see you!
